Owners are responsible for entering the proper jump height division. Dogs entered requiring measurement must be available for measurement You can download a measurement form at www.docna.com in the DOCNA Forms Library. A completed measurement form must be turned into DOCNA. You will be emailed a permanent height card. Please review the information on the measurement form for which measurement option is available to you. Any dog that measures within ½ inch of their jump height cutoff will require an official measurement by the show judge of record in order for the dog to be allowed to compete (all dogs must be measured now unless they have a completed form or card) unless the owner/handler can show that they have completed the requirements of the measurement form or obtained a permanent height card from DOCNA.

PRE-CHECK-IN

If you include a readable photocopy of your dog's DOCNA measurement form that has been completed by a DOCNA Judge or a DOCNA permanent height card with your entry, you will be automatically checked in as far as the measurement. You must send payment for your dog registration before you compete in a trial or within 30 days or registering or you will be deleted from the DOCNA database.

The Dogs On Course in North America, LLC rule book is available to read or print online at <http://www.docna.com/RuleBook.aspx>.

DIVISIONS

Competition Division

The Competition Division is the most demanding division for both the dog and handler, jump heights are 8", 12", 16", 20" and 24" and double jumps may be used at the Intern level and double and triple jumps may be used at the Specialist level. This division is also the most demanding in terms of standard course times in each event. **Entry Eligibility** - Any physically capable dog over the age of 15 months may enter the Competition Division.

Select Division

The Select Division is somewhat less demanding than the Competition Division. The jump heights are reduced by 4", standard course time is 15% more than the Competition Division, no double jumps. **Entry Eligibility** - Any physically capable dog over the age of 12 months may enter the Select Division.

Veteran Division

The Veteran Division is for those dogs that have reached 7 years of age, but are still physically capable of doing competitive agility or dogs being handled by anyone 60 years of age or older. The jump heights are the same as the Select Division, standard course time is 20% more than the Competition Division. **Veteran Dog Opportunity** allows for special circumstances that may allow you to lower the jump height by 4". Please see rules at www.docna.com. No double or triple jumps may be used. **Entry Eligibility** - Any physically capable dog 7 years old or older or any physically capable dog that is handled by a competitor that is 60 years old or older may enter the Veteran Division.

Grand Veteran Division

The Grand Veteran Division is for those dogs that have reached 10 years of age, but are still physically capable of doing competitive agility or any handler 60 years old or older handling a physically capable dog who is 7 years old or older. Competitors/handlers are required to jump their dog at least 4 inches lower than their Select/Veteran jump height. Standard course time is 25% more than the Competition Division. **Entry Eligibility** - Any physically capable dog 10 years old or older or any handler 60 years old or older handling a physically capable dog 7 years old or older may enter the Grand Veteran Division.

Junior Handler Division

The Junior Handler Division is geared towards encouraging younger handlers to be involved in the sport. Jump heights are reduced to 4", 8", 12", 16" and 20" in the Junior Handler Division, no double or triple jumps may be used, and standard course time is 20% more than the Competition Division. **Entry Eligibility** - Any physically capable dog handled by a competitor who is between the ages of 7 and 16 years of age may enter the Junior Handler Division.

We generally believe that 7-8 years of age is the optimal age for a handler to start competing, but realize that there are some exceptional kids who are ready to compete earlier than age 7. A parent/guardian who feels strongly that their child is ready to compete may contact DOCNA (info@docna.com) and provide information on age of child, training that their child has done, experience of their child, experience of the child's dog, etc, and DOCNA will review the situation and approve on a case by case basis. Additionally, competitors who are younger than 7, but have titled a dog in another venue may enter this division. Juniors (ages 7 and older) may compete in other divisions at regular jump height and standard course time.

Physically Challenged Dogs

Physically Challenged Dogs mainly includes, but is not limited to, canine amputees and visually or hearing compromised dogs. Our primary concern is for the safety of the dog. We acknowledge that canine health encompasses both the physical and the mental aspects of life. Physically challenged dogs that may otherwise be in good health and that display the desire and ability to safely execute required obstacle performances are welcome to enter and compete. **Entry Eligibility** - Canine amputees should acquire a letter from their veterinarian stating that the dog is capable of competing in agility and that the dog will not likely suffer any long term affects above and beyond what might be normal for dogs that engage in this sport. The letter should be available on request for view by the judge or trial committee. A judge and/or trial committee reserves the right to excuse/dismiss a dog from competition that appears to be in obvious pain or discomfort and/or to designate that a dog be limited to specific classes and/or be placed under a jump height restriction. The owner of the dog may appeal a judge's/appointee's trial decision to the DOCNA offices for a binding ruling.

DOCNA supports the desire of these dogs to play in agility and allows these dogs with the opportunity to earn qualifying runs and titles, but placements are not appropriate in this category. Dogs competing at a jump height lower than the official jump height for their size may not achieve a placement over a dog jumping at its regulation jump height.

Physically Challenged Dogs that have visual or hearing challenges but have demonstrated the ability to perform at a higher level by either having competed in another venue or have completed training that establishes the team as safe to compete physically at a higher level are approved to compete in the division for which they are eligible.

Handicapped / Handlers with Disabilities

Dogs On Course in North America, LLC is providing a special designation for disabled/handicapped exhibitors. Such exhibitors will be allowed extra time for qualifying purposes only. There will be a place on the entry form to designate this category. When entering as a disabled/handicapped handler, it is required that you enter all events with this designation. Dogs entered with handlers in this category will still be placed with the dogs jump height. The best time/most points will always place higher. DOCNA trusts that only exhibitors who have documented medical conditions will enter this category. Disabled/handicapped handlers will receive additional time in titling events.

LEVELS

Beginner

The Beginner level is the first experience level in all divisions. Its purpose is to offer a successful experience and a reasonable level of challenge for the beginning dog. It is open to any dog that is at least 12 months old who has not recorded a qualifying round in the Specialist level for that titling event. Dogs may not move up to the Intern level in an event until they have earned a certificate of merit (title) for that event (exception is experience- level grandfathering approval, if applicable)

Intern

The Intern level is the middle experience level in all divisions. Its purpose is to offer challenges that demonstrate dog responsiveness on obstacles and competitor confidence with a variety of handling techniques at a greater rate of speed. The Intern level is open to any dog that has earned a certificate of merit (title) at the Beginner Level for that titling event and is at least 15 months old. Dogs may not move up to the Specialist level in an event until they have earned a certificate of merit (title) for that event (exception is experience- level grandfathering approval, if applicable).

Specialist

The Specialist level is the top experience level in all divisions. Its purpose is to offer ****advanced**** agility challenges that require a variety of handling techniques and demonstrate dog and handler teamwork at the highest rate of speed. The Specialist level is open to any dog that has earned a certificate of merit (title) at the Intern Level for that titling event and is at least 15 months old.

JUMP HEIGHTS

Handlers may always choose to jump their dog higher, but will be placed and have the Standard Course Time (SCT) of the dogs in that higher height. The following heights are not available in DOCNA: Select 24 inch, Veteran 24 inch, Grand Veteran 20 inch and Jr. Handler 24 inch.

HIGHER: If a handler chooses to have a dog jump higher than his measured/registered jump height the equivalent Competition Jump Height for that new chosen height is used. For example, a dog measured to run 16 inch in Competition runs 16 in select instead of the usual 12 -- the SCT used will be the SCT for the 20 inch height. (Measured Competition Division Height + 4) SCT + XX% (Division) = time

LOWER: If a handler chooses to have a dog jump lower than his measured/registered jump height as allowed in Veterans only, the equivalent Competition Jump Height for that chosen height is used. For example, a dog measured to run 16 inches in Competition runs 8 in Veterans instead of the usual 12 -- the SCT used will be the SCT for a 12 inch dog. (Measured Competition Division Height - 4) SCT + XX% (Division) = time

EVENTS OFFERED

Standard Agility Event - Standard Agility will challenge the handler /dog team with both work away sections and close proximity handling challenges. The handler/dog team must demonstrate the ability of the team to perform a variety of obstacles on the course while working as a smooth functioning team. All obstacles must be performed without fault and the team must meet the Standard Course Time requirements of the division and level.

Jumpers - Jumpers is an opportunity for the dog and handler team to maneuver through a course of jumps at a very fast pace. The only obstacles on a Jumpers Course are jumps. Jumpers Courses will challenge the handler /dog team and have both work away sections and close proximity handling challenges.

Traditional Gamblers - Traditional Gamblers is an event that allows the handler/dog team to plan their own course, obtaining points along the way for completing obstacles up to 2 times each successfully for the specified opening period of time. At the end of the point accumulation period, the dog must successfully complete a work away challenge (gamble) at the required distance for level and division, and then stop the clock for time. The handler/dog team must be successful in both parts of this event to qualify.

Strategic Time Gamble - Strategic Time Gamble is an event that allows the handler/dog team to plan their own course, obtaining points along the way for completing obstacles up to 2 times each successfully. There are two (2) parts to this event, a point accumulation period (opening) and a strategic gamble period (closing); the handler plans a course that will allow the dog to cross the finish line at as close to maximum time without going over. The handler/dog team must be successful in both parts of this event in order to qualify. Ribbon placement is not possible for dogs that are over time.

Snakes 'N Ladders - Snakes 'N ladders is a strategic game that has tunnels, contact equipment, 1 set of 10-12 weaves, and 2 sets of 5- 6 weave poles. The handler strategically plans their course, with the goal being to complete all the contact and weave obstacles and cross the finish line as quickly as possible. .

******* SNAKES N LADDERS: New Rules *******

DOCNA is testing changing this class to a single level class. The benefits of this are fewer course changes, walk thrus, briefings, and classes where extra ring help is needed. It will be scored at the specialist level, and everyone who qualifies will get a specialist Q. Everyone who qualifies will also be automatically awarded Beginner and Intern Q's (no title certificates printed), so they don't miss out on titles. The class will be scored at the specialist level, but because everyone can design their own course, it will always be level appropriate. There will still be both lengths of weave poles available, but every handler will have the choice of doing 1 set of 12 and 2 sets of 6, 1 set of 6, and 2 sets of 12, or 3 sets of 6 by repeating one set.

Trigility - Trigility is a team strategy game that tests the agility ability of the 3 members of the team to complete 3 types of agility on a regular agility course. The goal is to complete all 3 courses in the shortest amount of time and to have one team member successfully complete a mini gamble test. When entering Trigility, keep in mind that it is a team sport and as a competitor, you have an obligation to run and not let your teammates down by training in the ring or by scratching except in the event of an illness or injury. **By entering this class, you are agreeing that your dog is reasonably proficient enough in agility to be able to negotiate a 9-10 obstacle sequence on a jumpers or standard course with two other dogs/handlers in the ring with you. You also understand that if you enter as a draw, you may be running with a dog and/or handler that is brand new to the sport of agility.**

***** TRIGILITY: New Rules *****

DOCNA is testing changing this class to a single level class. The benefits of this are fewer course changes, walk thrus, briefings, and classes where extra ring help is needed, and the pool of available 3 dog matches is larger. It will be scored at the specialist level, and everyone who qualifies will get a specialist Q. Everyone who qualifies will also be automatically awarded Beginner and Intern Q's (no title certificates printed), so they don't miss out on titles. Because each team member runs only 9-10 obstacles, most Trigility courses are closer to Beginner or Intern level already, so there is no cause for concern that the course will not be level appropriate for Beginner, Intern, and Specialist. The challenge of this game is not really the course, but how well you and your dog work as a team on a team. More experienced dogs will be able to help less experienced dogs get Q's. Keep in mind, it only takes 2 Q's in this class for a dog to be at the specialist level, so it is a fact that there are already inexperienced dogs entering at the specialist level. If you aren't comfortable with this, please choose your teammates rather than a random draw.

North America Challenge Event – Championship Qualifier - This is a unique agility run that is scored under the same rules and SCT as Standard Agility with the exception that an off course will be judged as elimination. In order to qualify for the 2018 DOCNA National Championships event, competitors will be required to earn one (1) North America Challenge qualifying round with a maximum of 12 faults (or less) between June 1, 2017 and August 1, 2018, and in addition they must have competed in a DOCNA Sanctioned Trial between July 29, 2017 and August 1, 2018. Starting in February 2018, Intern and Specialist will be running the same course, but Intern will have more time to qualify. In 2019, Intern and Specialist will run the same course and have the same amount of time to Qualify.

The 2018 DOCNA Championships will be held at the Adams County Fairgrounds in Brighton, CO on Sep 13-16th. The cutoff date for qualifying for the 2018 championships is August 1, 2018, with a possible extension through August 19. Dogs that have entered at least one trial, but failed to obtain the one NAC Q during the specified period (14 month time span) will only be eligible to enter Traditional Gamblers, Strategic Time Gamble, Snakes N Ladders, and Trigility at the championships. There will be a Last Chance NAC qualifier run on the Championships warm up day which will be one last chance to qualify.

For anyone entering the North America Challenge, Dogs that are competing DOCNA Specialist Standard, or in Standard Agility at the Elite Level in NADAC, Masters or Performance III in USDAA, Excellent in AKC, Level 5/C in CPE etc, must enter the North America Challenge at the Specialist Level. All other competitors should enter at the Intern Level (this includes beginners).

ENTRY AGREEMENT

I (We) agree that DOCNA and Desert Dawg Sports has the right to refuse this entry for any cause, which the organizing committee, in its sole and absolute discretion, shall deem to be sufficient. In consideration of the acceptance of this entry, of the holding of the event and of the opportunity to have my dog(s) participate and/or to be judged, I (we) agree to hold Desert Dawg Sports (including its members, officers, directors, and organizing committee), Dogs On Course in North America, LLC (DOCNA) including its owners, rule committee, members, officers, directors, agents and employees, sponsors of the event, owners of premises upon which the event is held, and their employees and agents, harmless from and against any and all claims for loss, damage or injury which may be alleged to have been caused, directly or indirectly, to any person, animal or thing by the act of this dog(s) while in, near or upon the event premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim, loss, damage or injury. The person who signs this agreement represents that he/she is authorized to enter into this agreement on behalf of both exhibitor and the owner of entered dog(s). In consideration of acceptance of this entry and for other good and valuable consideration, I (We) further agree as follows:

As used herein "DOCNA" means Dogs On Course in North America, LLC, its owners, rule committee, members, officers, employees, show chairs, show committees and agents. Handlers/Competitors/Exhibitors/Owners, agree to abide by the rules and regulations of DOCNA and any other rules and regulations appearing in the premium for this event.

I (We) further agree to hold the aforementioned parties harmless from and against any and all claims for loss of this dog, by disappearance, theft, death or otherwise, and from any and all claims for damage or injury to the dog, whether such loss, disappearance, theft, damage, or injury, be caused or alleged to be caused by the negligence of the parties aforementioned, or by the negligence of any other person, or any other cause or causes. Further, I (we) recognize that there are inherent risks, to both dog and handler, in the sport of dog agility, and I (we) expressly assume all such risks to myself/ourselves and to our dog(s).

Handlers/Competitors/Exhibitors/Owners acknowledge all hazards and I (We) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from and against any and all loss and expense (including, but not limited to, legal fees) by reason of the liability imposed by law or otherwise upon any of the aforementioned parties for damage because of bodily injuries, including, but not limited to, death at any time resulting there from, sustained by any person or persons including myself (ourselves) or on account of damage to property, arising out of or in consequence of my (our) participation in this event, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or may have been alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or any other persons.

DOCNA assumes no responsibility for local site conditions, including, but not limited to, such things as: the conditions of the floors, ground, soil, agility field or ring(s), fences, gates, stalls, bathrooms, stairways, hallways, lighting, structures or any other part of the facilities; security measures or lack thereof; electrical plug-ins, receptacles, or appliances; show rings and equipment used in fencing the rings; parking areas and drives; agility obstacles; air or water quality; and the presence of unfamiliar animals, people, sights, sounds, smells and/or any other condition(s).

ASSUMPTION OF RISK, STATEMENT OF RESPONSIBILITY & WAIVER OF LIABILITY

I (We) understand that agility is an activity that is held in the presence of other dogs, their owners/handlers and other spectators and pets. I (We) also understand that the participation of my dog(s) and myself in agility will require physical activity on my part and on the part of my dog(s). I (We) also understand that this activity will involve, among other things, running, jumping, and the use of obstacles, including, but not limited to, tunnels, scaling planks, jumps, and tires which could result in injury to me, to my dog(s), or others. I (We) represent that I am in good health and my dog(s) is in good health and we are both in good and sufficient physical condition, and fully able to participate in the sport of dog agility. I (We) further represent that my dog is friendly and not a hazard to persons or other dogs and has never exhibited aggressive behavior toward people or any other dogs; **that I am participating at my own risk;** and that I will not hold the trial club/group or any committee member, nor DOCNA liable for any loss, liability, claim, injury, illness, expense or other hardship that may arise in connection with my participation and/or my dog's participation in the activity. It is expressly understood and agreed that every dog participating, including, but not limited to, my dog(s) is in the care and custody and control of his owner or handler at all times on the premises. I further agree to assume full responsibility and liability for any and all injury, liability, claim or damage caused in any way by my dog(s) or myself. Any competitor/exhibitor whose dogs and/or children create unnecessary disturbances or engage in unsafe or disruptive behavior, may, at the sole and absolute discretion of the Trial/Show/ Committee, be required to leave the show site. In such case, no refund of any fees, costs or expenses paid or incurred will be made, nor will I (We) make any claim therefore.

The club or group or DOCNA will not be responsible for any loss, claim, liability, or damage to any dog competing; or for the possessions of any competitor whether the result was by accident, negligence or any other cause.

I (We) understand that in choosing to run with a collar (beginner level, outside only), I (we) do so at our own risk. A quick release collar is suggested. Acceptable collars may be flat or rolled collars with a buckle or plastic release clasp.
