Grand fathering in Experience levels

While it is appropriate and suggested that new Dogs On Course in North America, LLC competitors start a dog at the Beginner level in all titling events, it will be admissible until further notice to enter dogs at a higher level than Beginner in **some** titling events based on their qualifications in other agility venues.

In order to take advantage of the ability to enter a dog at a level higher than beginner the following procedure must be followed:

A competitor may only choose one organization that they wish the points/clean runs/qualifying scores to be applied from. At the time of dog registration (or within 30 days, but prior to your first trial), please submit along with the registration form, a copy of your dog's achievement level documentation (i.e., title certificates or points reports). Recognizing that some organizations are behind in their issuing of certificates, you may instead submit a copy of any personal records that you have kept on your dog's achievements (i.e., a spreadsheet or other document showing dates, trials, events, judges, qualifiers, titles, etc). In the event that you have neither of these available to you, please complete an Experience Level Grandfathering Application, available on the forms page of <http://www.docna.com/FormLibrary.aspx>. **Dogs On Course in North America, LLC trusts competitors to submit truthful and valid personal records.**

Grandfathering of Experience levels is allowed as follows:
